Company Overview

With over 125 years of rich history, we cherish our heritage as a cornerstone of our identity. Our vast experience and accumulated knowledge have shaped the very essence of how we conduct business. We firmly believe that technology and innovation are integral companions on our journey of growth and expansion. Our relentless dedication is focused on delivering the latest and most innovative ideas within our industry.

At the heart of our mission lies customer satisfaction, an unwavering commitment. We uphold the highest standards of quality control throughout every order, ensuring that quality remains paramount until your final product is delivered. We stand behind our guarantee that every client receiving our products will feel valued, having experienced exceptional service and exceptional value.

To better serve our customers, we've developed a smart and user-friendly approach to designing our range of products. It's all online, quick, and effortless. Our intuitive design editor simplifies the process, guiding you toward crafting a unique and customised product.

Behind our success stands a highly skilled team, diligently working every day to exceed our customers' expectations. Creativity, an open-minded approach, and unwavering effort form the ingredients that cultivate the trust and loyalty our clients have come to associate with our company.

Quality, technology, innovation, and tradition are the bedrock principles that guide our daily actions and thoughts here at AJ Parkes. We firmly believe that these core values have propelled us to become industry leaders, fueling our continuous growth and enduring success.

Acrylic School Badges

The acrylic school badge serves as an excellent substitute for the traditional metal school badge. It maintains the same prestigious appearance while being crafted to endure the demanding conditions of a school environment. You have the option to personalise it with a choice of two background colours, allowing for a wide array of design variations for your school badge.

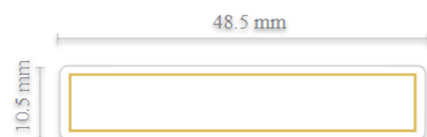

Main features:

- Clear acrylic with printed Gold or Silver background.
- Full colour printing of background colour and text
- Gold or Silver text
- Two background colours to customise
- Wide range of font options and colours
- Durable Stainless Steel Brooch fitting ultrasonically welded to the badge
- Scratch and fade-proof polyurethane coating
- No set up fees & no design fees

Custom Metal Badges

Expert Design for Exceptional Detail

Our adept design team has the ability to craft badges with unparalleled precision and detail. Supply your badge design or entrust our skilled designers to conceive a distinctive design that aligns with your specifications. Boasting a cumulative experience of over a century, complimentary design service, rest assured that your badge order is entrusted to capable hands, ensuring a seamless process from concept to completion.

Complex Customised Shapes

Crafting a remarkable badge is a breeze with our capacity to manufacture everything from simple circular badges to intricate three-dimensional shapes. Unleash your creativity, and we will skillfully conceptualise and fabricate a badge that is unique and tailored to your imaginative vision.

Metal Finished Badges

Our badges can be ordered in a variety of metal finishes including.

- Bright gold, silver and bronze
- Antique gold, silver and bronze

Additionally, we offer options such as matt, sandblasted, and other effects that add a touch of uniqueness and distinction to your badges.

Custom Metal Badges

Paint Filled Badges

From straightforward single-colour designs to intricate multi-hued patterns, we provide the option with paint filled badges. With an extensive spectrum of colours at your disposal, you can seamlessly align your corporate branding hues and craft badges that truly capture attention and make a statement.

Domed Sticker Insert Badges

For intricate and multi-colored designs, our repertoire includes photo-etched badges. This advanced technique surpasses the limitations of traditional paint filling, enabling the incorporation of significantly finer details including fade effects and more intricate graphical elements. This results in a badge that boasts unparalleled intricacy and sophistication.

Fundraising Badges

We specialise in crafting fundraising badges tailored for numerous associations and organisations. Our comprehensive approach enables us to take care of every aspect – from designing to manufacturing badges, as well as creating related packaging such as cards, bags, and cases. Allow us to assist you with your upcoming fundraising endeavour, and experience the seamless process firsthand.

Standard Traditional Medallions

Our Standard Range of medallions for sporting and academic achievements stand out with their 50mm diameter and top-tier material craftsmanship. Each medal showcases various aspects of the chosen theme, meticulously hand-sculpted into our dies. Additionally, there is a dedicated space on the reverse side for personalised engraving.

Count on our experienced customer service team to assist you throughout the design process, providing valuable insights to maximise the impact of your medallions. With our in-house team of specialised design and manufacturing experts and a rich history of over 100 years in the industry of medal production, you can have full confidence that you've selected the ideal source for your next medallion order.

- Range of models created by our Designers for sporting and academic achievement.
- Manufactured from high quality materials with a strong, incorporated (not soldered) top loop.
- Stylish, Laurel Wreath design on back of medal with space for personalised engraving.
- Choice of our prestigious antique finishes including gold, silver and bronze.
- Significant 50mm diameter for all designs.
- Coloured ribbons for presentation.
- Plastic, suede and leatherette cases available.
- Competitive pricing, perfect for school and club sport.
- Stocked items for faster delivery.
